I Read Skilla no. - of the 20th Instant from the Shimoga Amildar submitting a statement shewing the number of persons and the amount of Municipal House-tax to be remitted for the year 1880-81

	Rs	as	p.
1. Ashabi —	"	8	"
2 Bidichāl Lakki	"	8	"
3. A. Narasimha	2	"	"
4. Buddan Sāb —	"	8	"
5. Hasan Sāb —	"	8	"
6. Mahommad Khan Alikhan	"	8	"
Rs.	4	8	" Total

Resolved that as these persons are reported to be in distressed circumstances and incapable of paying the tax, its remission be sanctioned.

II Read report from the Amildar of Shimoga No. — dated 20th Instant. recommending that all carts and carriages subject to cart tax should be numbered.

There is under the present practice Considerable laxity in regard to bringing to book the carts and carriages liable to the tax - the owners either send their carts away to villages, or hide them at the time of the Khānéshumári, and thereby evade the tax in many instances. It is proposed therefore that the carts &c in the Town, liable to the tax, should be consecutively numbered in the office of the Presedent, and in order to enforce the rule, a penalty should be attached. As this will have to be worked as a bye-law, the Chief Commissioner's Sanction is required to it - It may be also included in the Municipal rules long ago promised to be issued.

III Read Chief Commissioner's order No 5331-8/309 dated 16th December 1880 directing the exemption of looms worked by the orphans from the Mohatarfa and Municipal House-tax.

Ordered that the Amildar be informed accordingly the Orphanage in Shimoga is not taxed, but only the dwelling of the Catholic Missionary in charge, which is situated in the same compound.

IV Read docket No 1011 dated 15th Instant from the Superintendent of Jail and previous correspondence on the subject of the payment of Rs 509-1-0 to the Jail workshop for baskets supplied

in convicts for carrying out municipal works in the Town.

Resolved that the amount be paid at once and a Supplementary Budget Should be Submitted for Sanction. This charge is an old arrear - When large numbers of convicts used to work in the Town the Jail used to Supply them with baskets at 1 anna each, and bills used to be paid long afterwards. Hereafter the Municipality will itself Supply baskets to the convicts sent to it for work in the Town.

The Board consider that the following works are actually necessary and Should be provided for in the Budget for 1881-82.

Original Works.

1. Constructing V drain in Kolluviah's Street to complete the present one from G. Subbarao's house up to the house occupied by the late Mr. Davis. — Rs. 400/.

2 Finishing the V drain to the road near Anbagattammana Devasthan road and constructing a new one in the Street in which Tumkur Shamrao's house is Situated. ———— Rs. 500/.

3. Constructing a Tunnel near Timmappankoplu — Rs. 50/.

4. Constructing a Shed in the Town for stray cattle — Rs. 200/.

5. For 3 new Lamp posts - Rs. 105/

6. Constructing 20 dust bins in the Town at 10 Rupees each — Rs. 200/.

7. Railing to the High road from the Public Office into the Town - Rs 500/

8. Railing to the road from the Bridge in front of the Barr Lines. - Rs 100/.

consoncling 2 pakka Latrines
- Rs. 800/.

Total - Rs. 2655/.

Repairs.

1 Repairing a drain near Nagar Ranga Toisa's house — Rs 150/.

2 Repairing the Terraced roof of the Stalls in the market - Rs 300/.

3. Repairing a well near the house of Sheshagire in the Krisbrajpur-Street ——————— Rs 20/

4. Repairing the dust bins in the Town ——————— Rs. 100/.

5 For removing the silt of the wells near the Bandystand and Krisbrajapur area ——— Rs 50/

6 Repairing steps of the river ghat near the old Taluk Kacheri. Rs 150/.

Total Rs 750

VI A provision of Rupees 30/ was made in the last year's Budget for Taluk Sadilvar, but this seem high and a reduction of Rupees Six is ordered to be made in the ensuing year's Budget.

VII One additional Kamati is provided in order to look after the Avenue trees and plantations at a cost of Rs 5 a month or Rs 60/ a year.

VIII The provision of Rs 50 made in the current year's Budget on account of reward for killing snakes & dogs, is too small to meet the demand, as the rewards now paid have greatly stimulated the destruction of these pests the former of which is peculiarly trouble some in Shimoga. Hence the Board resolve to provide Rs 200/ under this head in the Budget for 1881-82

To

The Secretary to the Chief Comms.
of Mysore
Revenue Department.

Sir,

I have the honor to submit for early sanction the Budget Estimates of the minor municipalities of this District for 1881-82.

2 Mohalarfa is levied in all the municipalities except Virthahalli, where the old municipal tax is still in force pending the receipt of final orders regarding the title of the Rameshvara temple to the Mohalarfa.

3. In some of the municipalities, the Estimated expenditure has exceeded the income - this is due to certain new works proposed to be carried out; but the excess may be met from the probable balance of previous years as shewn in the statement no. I herewith submitted. The proposed new works are shewn in statement no. II, and call for no remarks as they are necessary ordinary works

I have the honor to be,
Sir,
Your most obedient Servant,

4. " M. Shamanna

7. " M Amir
8. " Khaja Sayad Mohidin
9. " Le. Chandappa

1 Read Chief Commissioners Proceedings No 6434 dated 2nd March approving of the Boards Proceedings of the 20th December last

Resolved that as therein directed all the carts in the Town should be numbered consecutively in the Police Cutcherry and as regards Carriages the owners should be required to get them registered and that on the obtaining of a licence and entail inconvenience no licence

ued be required-

2. Read application dated
3° Ultimo from one Joseph
a butler in the service of
Doctor Benson requesting
permission to add to his
compound the Cane house
his house-

Resolved that the piece
of waste ground now applied
for be sold by public
auction to the highest bidder

3 Read urge dated 3° January
last from one Srinivasa
Rau requesting permission
to the removal of the mud
bund in front of his house
also Shanaga Annadaire
port No. 157 dated 18th Instant
on the same

For the reasons stated
in the above the Bo and
observed that as there
is another bund quite opposite
the one referred to by the
applicant the removal will
not affect the communic
of the neighbours and there
is no necessity to erect a
separate one instead

Resolved therefore that
permission be granted to the
Applicant to remove the bund
in front of his house-

4 Read Urge dated 23° Ultimo
from one Hamma, a Sawyer

on Shimoga applying for a building site on the waste land near her house - also Shimoga Amildar's report No. 156 dated 18th Instant on the same -

Resolved that the land in question be put up to sale after giving due notice previously of the same to the public and granted to the highest bidder -

5 Read Skilla No 142 dated 28th Ultimo on the subject of the non - recovery of Rs. 60/ due from one Mahomed Sarawar sale for the year 1875-76 on account of Shut bandi the sale of which took place on the 28th August 1875

From the vernacular correspondence before the Board, it seems that the sale was conducted by the then Peishkar Puttuvaiah who at the time took steps for the recovery of the amount but did not take a surety - bond from the purchaser - The purchaser is reported to have run away to Madras and her whereabouts have not been known - The Peishkar and the then Municipal Mukhadam have to be blamed but as nearly 5

years have elapsed it seems unnecessary to keep the records pending.

Resolved therefore that the Stella together with its correspondence be filed in the record.

6 Read Stella No. 143 dated 28th March together with its correspondence asking permission for the recovery of Rs 38/ from the inhabitants of Dursi for on account of the cost of Repairs executed to and the removal of the salt from the well in 1895 in their village.

From the correspondence The Board see no reason to demand from the villagers the above said sum as it was ordered sometime ago that pending final settlement of their paying the municipal house tax they should not be required to defray the cost in question The municipal taxation is enforced this year in Dursi and as its inhabitants plead that they cannot pay the tax owing to their distressed condition, and as the well

was constructed for the good of the Durga Gudi people. as well as for the travellers the Board consider it un-necessary to adopt any measures towards the recovery of the amount from the inhabitants.

Resolved therefore that the papers connected therewith may be filed.

7. Read Bills no. 144 dated 28th Ultimo regarding the price of land belonging to the Municipality that was reported to have been taken up by one Annaji living in the Dyer's street in Shimoga.

On a perusal of the records relative to the above, the Board are of opinion that the site on which Annaji has built a wall was her own property and not that of the Municipality - Hence it is resolved that Annaji shall not be liable to pay any price for the above said land and that the papers therefore on the subject may be filed.

8. Read Shimoga Amildar's Bills no. 145 dated 28th Ultimo on a case of encroachment on the road of a piece of

land said to belong to the municipality by one Chelur Chandappa for building purposes.

From the enquiry made by the Amildar it will be seen as clearly stated in the Circular Correspondence that the site up to which the present building was extended belonged to him and that no encroachment of any sort as attempted.

Resolved therefore that the papers on the subject may be filed.

Read Shimoga Amildar's Tilla No. 146 dated 3d. Instant requesting orders concerning the sites disposed of in 1875-76.

The site plan does not contain the full description of the area. It is to be regretted that no action was then & there taken for the recovery of the amount for the sites allotted to individuals by noting the boundaries description or area of such sites in the auction list then framed. It is now impossible to form a correct idea of all the sites. But however, it is resolved that the individuals

who have already taken possession of land built houses on their sites or who have marked their sites by fences should retain them in their possession and should be required to pay the value at once The other purchasers object to pay the sale money until they are put in possession of their respective sites - Considering the length of time that has elapsed and the unsatisfactory record before them the Board resolve that these sales which are merely nominal may be set aside.

Resolved that orders be issued accordingly.

10 Read Shimoga Amildar's letter No 147 dated 28th March requesting sanction to the sale of manure offered by one Jatinga for Rs 2/

The Bo and observe that there is no separate sweeper employed for cleaning the bandy stand - which the purchaser of manure will have to sweep daily and keep the stand in a clean state. This will be done without any extra cost to the Municipality - Under this condition the Board resolve to sanction the sale.

11 Read Shimoga Amildar's

Stilla no. 148 dated 28th Ultimo together with its Correspondences.

From the enquiry made, it appears that one Bhima:chari has not encroached on the land of the Municipality contrary reported in order to extend his backyard.

Resolved therefore that the papers on the subject may be filed

12. Read Shimoga Amildar's Stilla no. 149 dated 28th Ultimo together with its Correspondences.

From the above, it appears that the land on which Ranga Rao has built his granary was not surrendered to Government so much as was required for a road to the river was taken up and used by Government. As it is now unnecessary to enter into the question, the Board consider that the papers may be filed.

13. Read Shimoga Amildar's Stilla no. 325 dated 7th Instant submitting for sanction a list of works that have exceeded their respective Estimated Amounts.

The Board resolve to sanction the amounts required in excess and direct the Auditor to submit at once supplemental Estimates for each work

14 Read petition from T. Bheema Rao of Thimapur for a piece of ground in Thumbarguda measuring about 30×20 yards in rear of the present Revenue Inspector's quarters.

The Board resolve to grant the application under the usual terms.
